

# University of Saint Mary— Services for Students with Disabilities

The University of Saint Mary complies with federal and state laws prohibiting discrimination against any applicant or enrolled student based on race, color, ethnicity, religion, gender, sexual preference, age, disability or other protected status. The University of Saint Mary firmly believes that all students have the right to a safe and supportive learning environment. This is in harmony with the University's mission, as well as in compliance with the ADA Amendments Act and Section 504 of the Rehabilitation Act. Students who have a disability requiring accommodations must register with the Director of Student Success, located in the Keleher Learning Commons. For assistance, please email [accommodations@stmary.edu](mailto:accommodations@stmary.edu) or visit [stmary.edu/accommodations](http://stmary.edu/accommodations).

The Director of Student Success provides support and advocates for students with disabilities. The Vice President assists students with obtaining appropriate academic accommodations. All currently enrolled students seeking accommodations at the University of Saint Mary are required to register their documentation with the Director of Student Success. After the paperwork has been evaluated, the student and the Director of Student Success will create a plan addressing academic needs for the semester. Students who do not register their paperwork and create their plan are not eligible for academic accommodations.

Accommodations commonly provided include but are not limited to the following:

- Extended time for tests
- Extended time for lengthy assignments
- Change of venue for tests
- Oral tests
- Readers
